Feather 1

whew...
In this world, many people have "gifts."

but rather a natural born ability...
Not the kind of gift that can be given to someone else,
Or some kind of artistic talent. There really are many kinds.
Whether it be a figure like a gorgeous model,

They say these abilities are gifts from God.

...Hey, why am I not allowed to play with everyone else?
There is something special about you, my dear. That's why.
Something that is best kept hidden from everyone else.
We must work together to ensure you can live your life without other people finding out what that special something is.

All right then. Just be sure that you keep it hidden.
I will, sister.
I know how long you've dreamed of attending school with the others.
I'm sure you will make a lot of friends there.
I will.

Try your best.
I'll give it my all!
W-WHAA!?
NOOO

Whoa...so soft...

WHAT THE HELL WAS THAT ALL ABOUT!?

Geez, that was embarrassing...
Do either of you know where Takeshima might be?
Nope, no idea!
Hmm. If you happen to see him, come and let me know
Oh!
Wait a second...
Should I have groped her back!?
No, wait...
Yamashita-san?
SPRING

HUH!?
WHA-?
Hey, have you decided on a club yet?
H-Huh?
I'm having the hardest time deciding, you know?
S-Someone actually came to talk to me!
Wow!
Any thoughts?
That's why I'm going around and asking everyone else what they're doing.
Maybe...
Maybe this could be a chance to make a friend!?
I... I...

Hey, Yamashita! Sorry, but could you come and give me a hand for a moment?
Ah, the teacher's calling for you so I'll let you go!
Have fun!
Wait!
Wait!
Wait!

Sigh...
nom
Geez...
nom
nom
nom

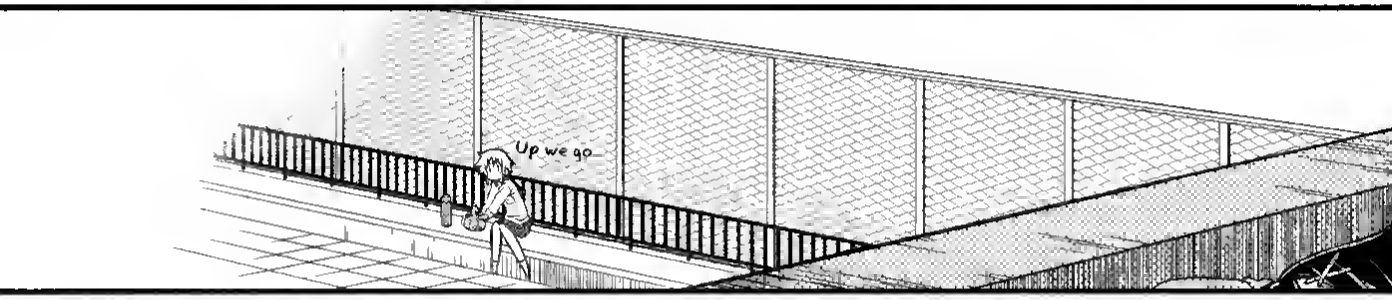
Sorry about this. I'm a bit too short to reach up there you see...
It's okay...
And here I finally had a chance to make a friend...

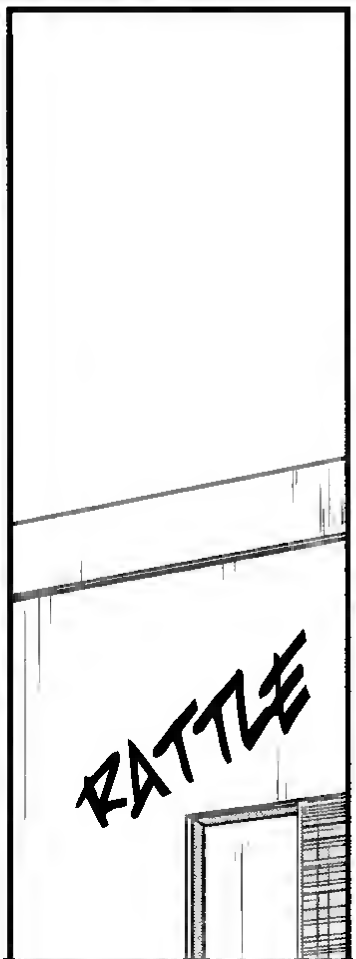
It'd be nice to have a friend...
Man...
I wonder what I should do...

Shoot...
chomp
chomp
I'd better hurry up and finish my lunch!

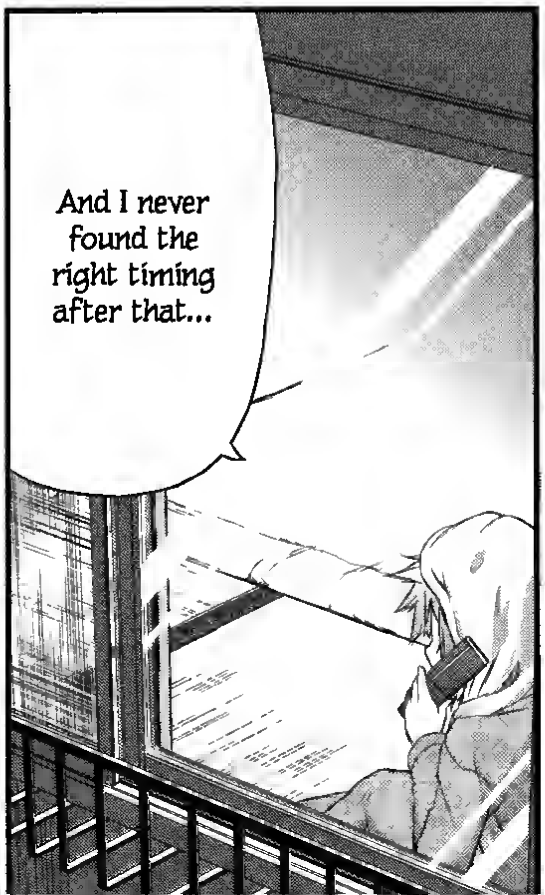
DING
DONG



Up we go...



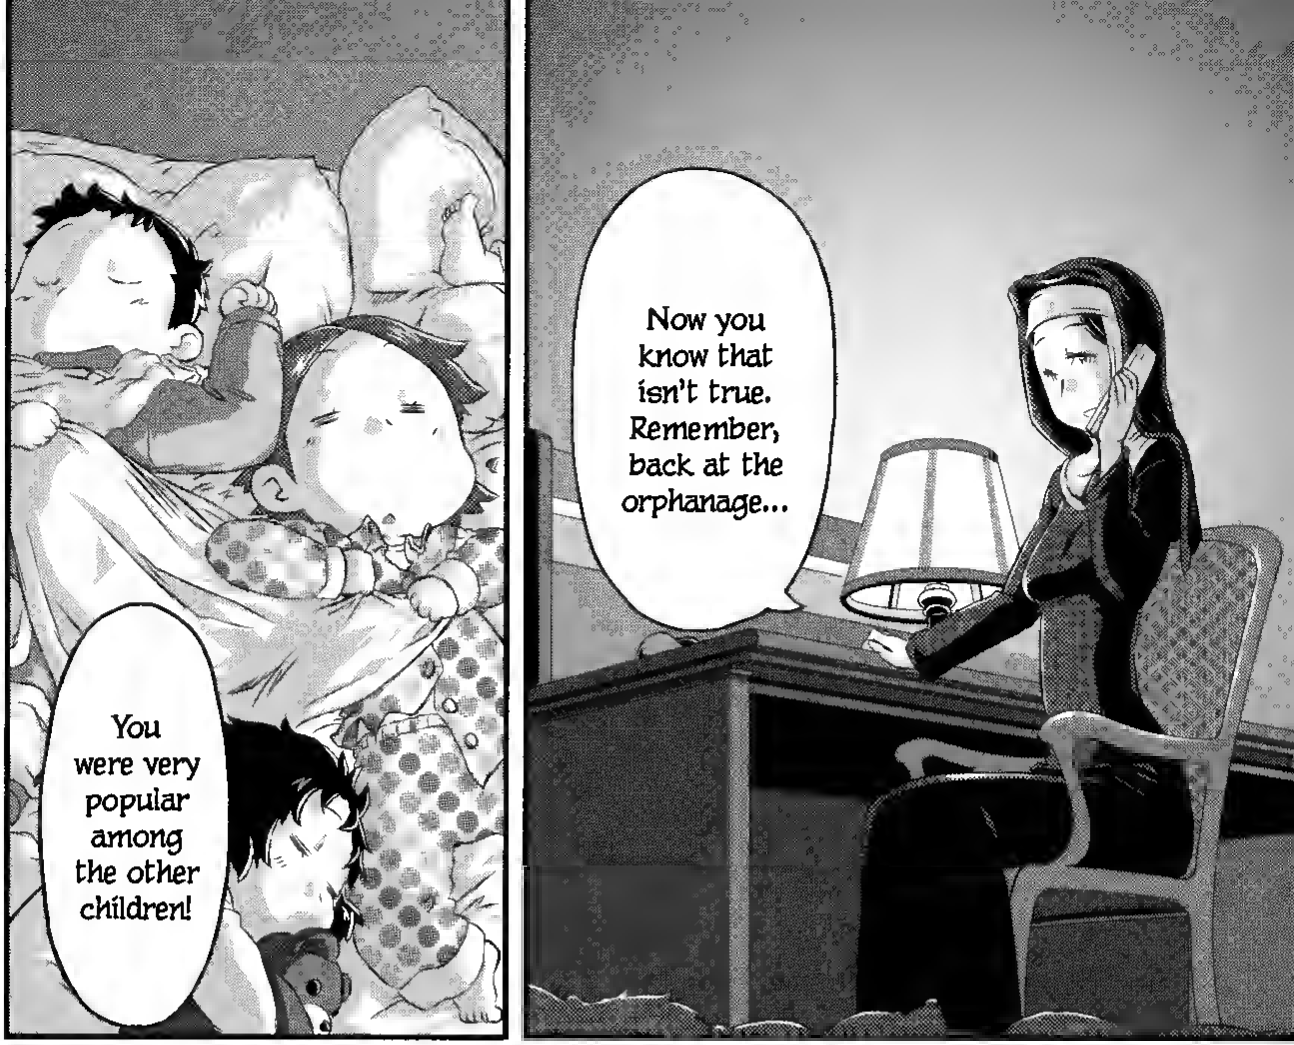
RATTLE



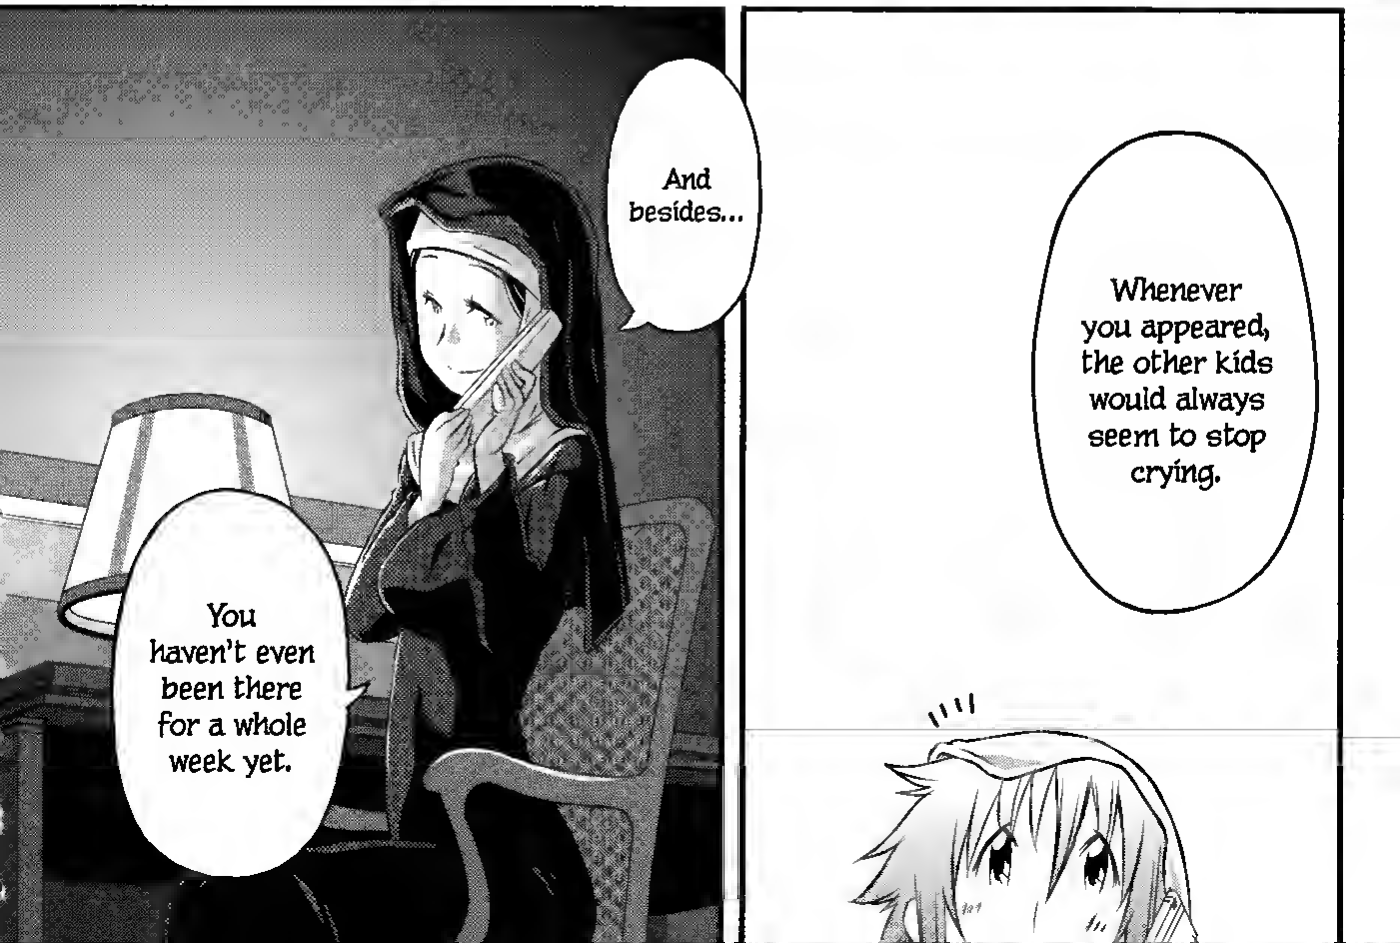
And I never found the right timing after that...

Yeah.
That's right...

Oh, come on! It's not funny!
rustle
Hehe...
I see. How unfortunate.
It's just not going very well, I guess...
Just what?
I'm really trying my best here! It's just that...
Maybe I'm just no good at making friends.



You were very popular among the other children!
Now you know that isn't true. Remember, back at the orphanage...



You haven't even been there for a whole week yet.
And besides...
Whenever you appeared, the other kids would always seem to stop crying.

And never resent your gift. It's an important part of who you are.

Yeah... you're right.

I think it's wonderful.
Do you think you can give it another try?
Thanks.
Yeah, I will...
All right then. I have to get up early tomorrow,
so I'll be going now.
Good night.

Yeah, good night.
Right!
Let's do it!
Mmmmm...

CHATTER
chatter

C'mon, let's go to the cafeteria!
Huh? I was just going to pick something up...

CLATTER

I-I should try and have lunch with someone!
Hey...
Do you mind if I join you for-
SPLAT

Oh geez, it's everywhere... Yamashita-san, I need to lift it up a bit.

S-Shoot...
Yeah...
Let's see if we can rub it out...
I-I'M SORRY, YAMASHITA -SAN!
H-Huh!?

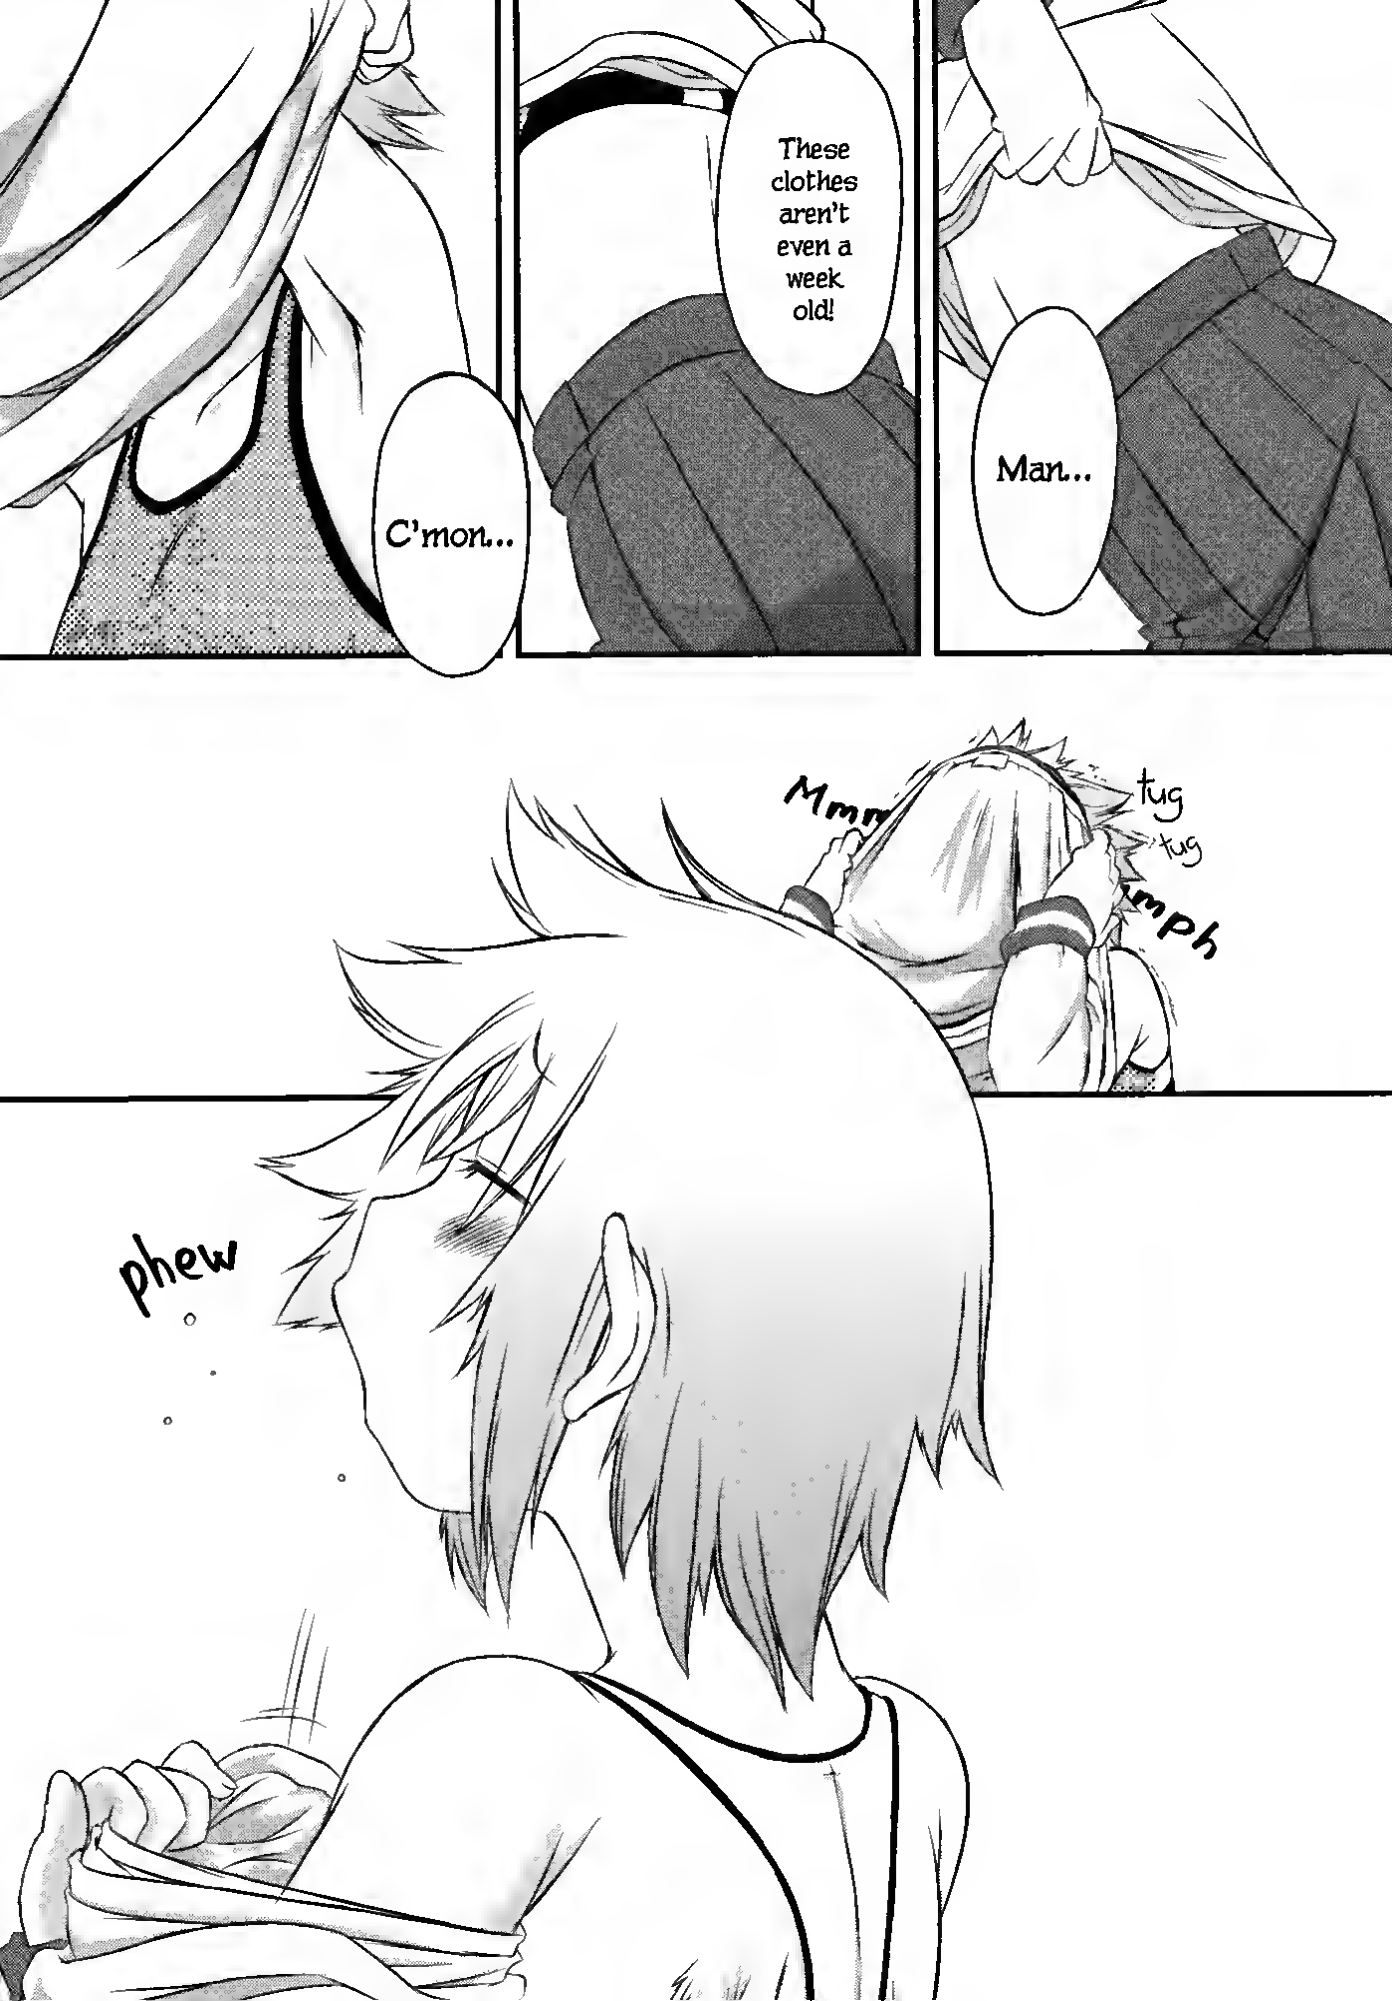
CLOSED FOR CLEANING

That should do it.
Whew...
There we go...
Now then...
What a mess...
The ketchup totally soaked in...
Will this even come out?



C'mon...
These clothes aren't even a week old!
Man...
Mmm
tug

Man.... Just being able to move around freely
really is the best!
Besides,
Having to keep my wing out of sight...
is a real pain!
And it keeps sticking to my back...
scratch

Wow, that feels good...
